My Support Guide For DSNM™

Introduction

Hello, my name is David Bryant, “Mr. Support Friend!” I’m a DSNM Certified Support Friend & Coach and the author of “My Support Guide For DSNM™.” I’ve created this guide to provide you with quality DSNM Support and to share My DSNM Story with you! It’s my hope that after reading My DSNM Story that you will review the information in this guide and that it will help you to make a difference in your own life and the lives of others.

MY DSNM STORY

Over 20 years ago, while I was recovering from an illness, a friend shared some information with me about a company that offered natural health and wellness products. She was involved with the company as a customer and home-based business owner. She asked me to try a product and at first, I said no, but eventually I did try the product and the product actually helped me, so I decided to pay it forward and share the product with others. This was the beginning of My DSNM Story and ever since then I have always been open to trying and/or sharing quality natural health and wellness products.

I feel DSNM is one of the fastest and least expensive ways that someone can make a difference in their own life and the lives of others because you don’t have to spend a lot of money on products, or make a huge investment to start a part-time business, or go to college for 2-4 years to get a degree. Supporting yourself and others in the areas of Wellness & Money is extremely empowering! But there are many more benefits DSNM offers as well.

SEVERAL YEARS AGO

Several years ago, I crossed paths with a woman online who shared her story with me about a nutritional cleansing program she used to support her health and release some pounds and inches. I decided to try the program for myself and it worked for me, so I shared the program with others who experienced some life changing results!

There is nothing better than knowing you had a part in changing someone’s life for the better and DSNM has provided me with that opportunity over the years.

My Support Guide For DSNM™ Introduction

THE KNOWLEDGE YOU GAIN AND THE PEOPLE YOU MEET

One of my favorite things about DSNM is that I've learned a lot about wellness, personal development and the DSNM business model.

I've also made some WONDERFUL FRIENDSHIPS along the way and even met a few celebrities along the way who believe in DSNM.

SO WHAT IS DSNM?

DSNM stands for Direct Selling Network Marketing.

I know there are people who don't think much of the business model, and there are others who strongly believe in the business model, and then there are those who are open-minded about the business model as I was.

I hope you find My Support Guide For DSNM™ Helpful & Empowering and I encourage you to connect with My Support Friends who are involved with, or have an interest in, DSNM to see how you may be able to support each other.

Keep Shining & Have A Wonderful Day!
